## G3.5 RANGE SHORT™

APRRS2

The **G3.5 RANGE SHORT™** is a lightweight, stretch nylon short designed for unrestricted movement and all-day comfort. Developed over months of end-user feedback, this short adds a new level of comfort and functionality specifically for training in hot-weather environments.

Available in 05", 07", and 09" inseam options, the **G3.5 RANGE SHORT™** features front and side cargo pockets with low-profile flaps for streamlined storage. An adjustable waistband with internal spacer mesh enhances comfort and breathability, while mesh pocket linings support drainage and airflow. Made in the USA—Berry compliant.

**AIRLINK™ COMBAT  
KNEE PAD**  
PADK01

The **AIRLINK™ COMBAT KNEE PAD** is molded from a single piece of flexible, durable EVA foam and shaped to distribute weight away from the kneecap while absorbing impact efficiently. Its contoured design is based on precision pressure mapping and extensive impact testing to maximize protection without sacrificing mobility. Engineered to perform like a performance running shoe, it provides joint protection in a lightweight, low-profile form. Compatible with any Crye Precision combat pant.

**AIRLINK™ FIELD  
KNEE PAD  
PADK03**

The **AIRLINK™ FIELD KNEE PAD** provides full-coverage protection for users who prefer an enclosed knee pad with extended shin coverage. Molded from durable EVA foam, it's designed to absorb impact and redistribute pressure away from the kneecap for increased comfort on hard surfaces. The contoured shape enhances stability while kneeling and maintains a secure, comfortable fit during movement. Compatible with any Crye Precision field pant.

**AIRLINK™ ELBOW PAD**  
PADE01

The **AIRLINK™ ELBOW PAD** is molded from firm EVA foam to provide increased comfort and stability when shooting from the prone position. Its L-shaped cross section prevents the pads from rolling out from under the elbow—maintaining consistent contact and alignment. A flat exterior surface delivers a stable platform against the ground for improved shooting support. Compatible with all Crye Precision combat and field shirts designed for a removable elbow pad.

# INFO

## MISSION

Our mission is to deliver innovation with integrity to those in harm's way by creating ground-breaking products that improve performance, safety, and comfort.

We pride ourselves on being able to rapidly design, manufacture, and support these products by

employing a wide range of manufacturing techniques and highly skilled operators.

We will always continue our pursuit of innovative excellence—expanding our products and offerings in support of the ever-changing needs of our customers.

## WARRANTY

If a defect in materials or workmanship is found in any of our products, we will repair or replace it, free of charge, for the lifetime of the product. This excludes normal wear and tear.

Be aware that the customer is responsible for any and all return shipping charges. This applies to the original purchaser and is nontransferable.

## BODY ARMOR

It is against federal law for a person convicted of a violent felony to purchase or possess body armor. In addition, various states also have laws restricting the purchase or possession of body armor by persons convicted of certain felonies, other crimes of violence, or drug crimes. By purchasing body armor, you acknowledge and certify that (I) you have no felony convictions, (II) you have not been

convicted of any other crime that would restrict your ability to purchase or possess body armor under any federal or state law, (III) you do not intend to use the body armor for any criminal purpose, and (IV) you are more than 18 years old. Crye Precision reserves the right, in its sole discretion, to refuse to sell

body armor to any person. Additionally, the sale of body armor to residents of Connecticut is restricted to in-person sales, unless the sale is made to certain law enforcement or military personnel. We require that all orders of body armor be accompanied by a government-issued photo identification.
