# INTRODUCTION

The Contoured Deltoid Armor brings a new level of comfort to wearing accessory armor. The innovative proprietary three-dimensional forming conforms to your body allowing less bulk and better range of motion. Fit is no longer a problem with it's streamlined shape and easy adjustment.

## FEATURES

- » Proprietary 3D forming process provides seamless ballistic coverage around the entire upper arm
- » Threat level: NIJ IIIA
- » Ample Velcro® brand loop for ID/unit insignia
- » Attaches to nearly any protective tactical vest

# REMOVING ARMOR

The Contoured Deltoid Armor comes pre-assembled with armor inside the cover. If armor needs to be removed for inspection complete the following:

01

Open inside back vertical Velcro® slot.

02

Squeeze armor together and roll outboard edge of armor to the center.

03

Pull opposite edge of armor towards center and remove.

# INSERTING ARMOR

01

Roll edges of armor together and push up towards the top center of the carrier.

02

Push one edge of armor to the inside edge of the carrier.

03

Push opposite edge of armor to the other side of carrier and close Velcro® slot.

# ATTACHING TO VESTS

The Contoured Deltoid Armor can be easily attached to a multitude of vests.

Shown attached to LVS™ Tactical Cover.  
Also attaches to Chassis™, CPC™, AVS™ and JPC™

# ATTACHING SHOULDER ARMOR

01

Undo Velcro® shoulder straps and route top loop portion of shoulder armor carrier between pad and vest shoulder strap.

02

Route hook portion of shoulder armor carrier strap back through body armor strap and secure to hook.

03

Place any excess running end of hook strap under horizontal webbing bar on top center of carrier. Repeat for opposite side and test fit. If armor needs to be adjusted repeat steps 1-3.

Note: for vests without padded straps or pads with no slots, shoulder carrier strap can be routed directly over top of body armor strap

## ABOUT US

Crye Precision designs and manufactures truly innovative equipment for America's fighting forces. We are proud and honored to serve our customers' needs. We spend as much time as we can with users, continuously incorporating their experience and feedback into the gear. We give them our full support and are indebted to them for their service and their sacrifice. We make uncompromising gear for uncompromising individuals. We work hard to provide smart, high-performance, long-wearing gear for people who demand the best. We make all of our gear in America from American materials. Every item is designed to help you perform better.

## WARRANTY

If a defect in materials or workmanship is found in any of our products, we will repair or replace it, free of charge, for the lifetime of the product. This excludes normal wear and tear. Be aware that the customer is responsible for any and all return shipping charges. This applies to the original purchaser and is nontransferable.

## BODY ARMOR

It is against Federal Law for a person convicted of a violent felony to purchase or possess body armor. In addition, various states also have laws restricting the purchase or possession of body armor by persons convicted of certain felonies, other crimes of violence, or drug crimes. By purchasing body armor, you acknowledge and certify that (i) you have no felony convictions, (ii) you have not been convicted of any other crime that would restrict your ability to purchase or possess body armor under any Federal or State law, (iii) you do not intend to use the body armor for any criminal purpose and (iv) you are over 18 years old. Crye Precision reserves the right, in its sole discretion, to refuse to sell body armor to any person. Additionally, the sale of body armor to residents of Connecticut is restricted to in-person sales, unless the sale is made to certain law enforcement or military personnel. We require that all orders of body armor be accompanied by a government issued photo identification.
