

AIRFLEX™ IMPACT ELBOW PAD

Lightweight, flexible, and vented elbow pads for all Crye Precision **FIELD SHIRTS™** and **G3** and **G4 COMBAT SHIRTS™**. Sold as a pair. Only available in black.

NOTE: The **G4 COMBAT** and **FIELD SHIRT** pockets are internal.

FEATURES:

- Pads easily integrate with combat and field apparel
- Lightweight yet highly durable construction
- Dual density foam provides enhanced impact dissipation and comfort

INSTALLATION INSTRUCTIONS

1 Lay shirt flat on table. Locate and open elbow pad pocket.

2 Insert elbow pad by folding lengthwise and pushing wider end into pocket.

3 After fully inserted, ensure elbow pad unfolds properly inside pocket. Repeat for other side.
