

AIRFLEX™ IMPACT FIELD KNEE PAD

Lightweight, flexible, and vented knee pads for all our **FIELD PANTS™**. Sold as a pair. Only available in black.

NOTE: The **G4 FIELD PANT™** kneepad pockets are internal.

FEATURES:

- Designed for use with all styles of our **FIELD PANTS™**
- Lightweight yet highly durable construction
- Dual density foam provides enhanced impact dissipation and comfort

INSTALLATION INSTRUCTIONS

1 Lay pants flat on table. Locate and open knee pad pocket.

2 Insert knee pad by folding lengthwise and pushing wider end into pocket.

3 After fully inserted, ensure knee pad unfolds properly inside pocket. Repeat for other side.
