DESIGN

Our next generation of Combat Apparel features innovative, custom stretch **VTX RIPSTOP™** fabric. Constructed with Invista's T420 high tenacity nylon fiber to be light yet strong. Integrated stretch allows for a slimmer cut with maximum mobility. Pockets are low profile and engineered to reduce bulk while still allowing room for all essential gear. Mesh venting for maximum air-flow and breathability. Built-in kneepad adjuster and padded adjustable waistband. Designed for use with our removable **AIRFLEX™ IMPACT COMBAT KNEE PADS** (sold separately). **WWW.LWPATENTS.COM**. Made in US from US materials.
