

G4 TEMPERATE SHELL JACKET™

APRFSX

FEATURES

1. Lightweight, water repellent material for mild temperatures
2. Overall stretch for increased mobility and comfort
3. Full-zip for easy donning and doffing
4. Low profile zippered shoulder pockets
5. Cuffs with integrated thumb loops
6. Adjustable draw cord hem
7. Mesh lined zip hand pockets
8. Media port exit at wearer's right interior pocket bag

DESIGN

Hybrid full-zip shirt jacket engineered to provide weather resistance in mild temperatures. Constructed from a lightweight stretch nylon with a water repellent finish to keep you dry. All-over stretch provides enhanced mobility. Zippered shoulder pockets are low profile and engineered to reduce bulk while still allowing room for all essential gear. Adjustable draw cord hem. Cuffs are stretch with integrated thumb loops. Can be layered with the Aclima® baselayer tops underneath in cooler temperatures. Made in US from US materials.
