

30/30 MAG POUCH

BLC125

FEATURES

1. MOLLE panel for compatibility with multiple vests
2. Speed-cut design for one-handed re-indexing
3. Skeletonized composite panel provides rigidity and ease of draw
4. Elastic body and shock cord ensure secure retention
5. Durable neoprene straps securely attach to the MOLLE panel

DESIGN

The **30/30 MAG POUCH** is designed to provide additional magazine storage for plate carriers, with mounting flexibility that allows for a streamlined fit to a carrier or zip-on pack. It securely holds two M4 5.56 magazines using an elastic body and shock cord for retention, while the speed-cut opening and skeletonized composite face ensure fast access and consistent shape. Durable yet flexible neoprene straps securely attach to the MOLLE panel—ensuring compatibility across a range of platforms. The pouch can also accommodate 20-round 5.56 magazines. Made in the US from US materials.
