

POUCH ZIP-ON PANEL 2.0

BLCZP4

FEATURES

- 1. Snap closure top opening keeps tools from shifting
- 2. 2 side-access mag pockets
- 3. Expandable hydration/breaching-tool pocket
- 4. Dedicated GP pouch configuration - compatible with **SPS™** pouch inserts
- 5. Ample VELCRO® brand panels for ID and labeling
- 6. Quick zip-on/zip-off attachment

DESIGN

A panel of preconfigured pouches that zips to a rear platebag. Two VELCRO® brand lined GP pockets across the top, (ideal for use with any of our **SPS™** pouch inserts) a wide GP pouch in the middle, and fold-flat wide GP pouch on the bottom. Use multiple zip-on panels for different types of work and switch quickly between them. Features a built-in hydration/breaching tool pocket and two side access mag pockets. Four hidden flat pockets are located behind GP pouches. Compatible with CAGE ARMOR CHASSIS™ , **CPC™** , **AVS™** , and **JPC™2.0** . Vests sold separately. Made in US from US materials.
