6. Fits both 5.56 and 7.62 mags
7. Adjustable shock cord and tabs allow for additional quick access

DESIGN

The **LPV™ MAG CUMMERBUND** is designed to add versatility to the **LPV™ SLICK** and **LPV™ TACTICAL** vests. The cummerbund allows for secure and comfortable magazine storage—featuring heavy-duty side elastic that keeps magazines firmly in place. MIL-SPEC webbing on the sides ensures easy adjustment and a secure fit, while the ambidextrous design allows for versatile magazine placement. A multi-functional front closure offers adaptability with the option to modify for an FS Tubes® closure system—ensuring a secure and customizable fit. Adjustable bottoms provide height customization for magazines—accommodating both 5.56 and 7.62 types. The adjustable shock cord and tabs offer additional security and quick access to magazines—enhancing operational efficiency. Made in the USA—Berry compliant.
