

LVS™ 6X9 TACTICAL SIDE CARRIER SET

LVSSC5

FEATURES

1. A snug, tidy fit with some expansion for plates of varying thicknesses
2. Able to be mounted to the interior or exterior of the cummerbund

DESIGN

The LVS™ 6X9 TACTICAL SIDE CARRIER pouches allow the user to carry a 6"x 9" soft armor panel and a 6"x 6" side plate. This pouch may be mounted to the interior or exterior of the cummerbund. Likewise it can be mounted on practically any vest that uses any MOLLE compatible attachment system.
