

# LVS™ 6X6 TACTICAL SOFT ARMOR POUCH SET

LVSSC6

## FEATURES

1. Able to be mounted to the interior or exterior of the cummerbund

## DESIGN

The LVS™ 6X6 TACTICAL SOFT ARMOR POUCH SET allows the user to carry a 6"x 6" soft armor panel. Typically used for additional side protection, this pouch set may be mounted to the interior or exterior of the cummerbund. Likewise they can be mounted on practically any vest that uses any MOLLE compatible attachment system.
