| Large: | 13.25" x 10.5" |
| XLarge: | 14" x 11.25" |

DESIGN

The **R-SERIES™ HARNESS ADAPTER** is the base component for several configurations making this system truly adaptable. The outside front accepts any detachable flap. The inside stretch pocket can quickly fit a size appropriate plate using either the 2" retainer strap that is built in or 3 additional M4 mags with the **R-SERIES™ M4 MAG RETAINER**. The rear is also compatible with the **R-SERIES™ PLATE COVER** so the system can be turned into a lightweight minimal plate carrier with the **R-SERIES™ ASSAULT HARNESS**. Made in the US from US materials.
