

R-SERIES™ SHOULDER PAD SET

RSR105

FEATURES

1. 1/8-inch foam padding
2. Spacer mesh fabric for breathability
3. One-Wrap® side loops for cable/tube retention
4. Inside Velcro® hook lock pads into place

DESIGN

The **R-SERIES™ SHOULDER PAD SET** adds additional comfort to the **JPC R-SERIES™**. Heavier loadouts can cause pressure points and fatigue. These pads can be quickly added to the shoulder straps to help disperse weight. Adjustable top flaps with interior hook ensures the pads stay in place. One-Wrap® side loops add extra control of comm cable or hydration tube. Sold as a set. Made in the US from US materials.
